

FACT SHEET

OFFICE OF FOOD FOR PEACE 2009 STATISTICS

Fiscal Year (FY) 2009 Highlights:

In FY 2009 USAID's Office of Food for Peace (FFP) provided approximately 2.4 million metric tons (MT) of food, valued at approximately \$2.2 billion, benefiting people in 44 countries worldwide.*

USAID's Office of Food for Peace supports emergency programs that help those affected by conflict and natural disasters, such as drought, as well as long-term, non-emergency programs that seek to address the underlying causes of hunger, such as by increasing agricultural productivity and improving maternal and child health.
